**RESEARCH PROPOSAL**

Date of Application \_\_\_\_\_

I. Investigator (s) \_\_\_\_\_  
Home Address \_\_\_\_\_  
Phone No. \_\_\_\_\_  
Professional Address \_\_\_\_\_

II. University Affiliation \_\_\_\_\_ Undergraduate \_\_\_\_\_ Graduate  
\_\_\_\_\_ Faculty \_\_\_\_\_ Other (please specify)

Departmental Affiliation: \_\_\_\_\_

III. If research is being conducted under faculty supervision, please give name of project advisor and department.

IV. Title of Research Project: \_\_\_\_\_

V. Date(s) when research will be conducted:  
From \_\_\_\_\_ to \_\_\_\_\_

VI. Research will satisfy:  
\_\_\_\_\_ Thesis \_\_\_\_\_ Dissertation  
\_\_\_\_\_ Other (please specify) \_\_\_\_\_

VII. What sources of funding (if any) are being used to support this research (record keeping purposes only)?

VIII. Since the majority of the USF PCL staff is involved to some degree in research conducted at the school, it is necessary to have information about the proposed project. Please supply the specifics requested in the next section. This will enable the USF PCL staff to more effectively assist you in implementing this research.

A. A brief description of the nature and purpose of the proposed study.

B. Procedures to be employed in carrying out the study. This should include the method of data collection, age, number and gender of subjects, time requirements, etc. required to complete each phase of the research.

C. Names and qualifications of assistants to the principal investigators.

IX. Has this study received Human Subjects clearance?

\_\_\_\_\_yes                      \_\_\_\_\_no

Please attach a copy of this clearance to this proposal.

**NOTE:**

Specific procedures have been created to assist you in implementing this research (i.e., scheduling, coordinating needed space and materials, etc.). The Director of The USF Preschool for Creative Learning will work with you on these procedures.
